ESTABLISHING THE ALABAMA COMMISSION ON CHILD PROTECTION.

WHEREAS, the Legislature is committed to the protection and well-being of all citizens of this state and particularly the children of Alabama; and

WHEREAS, learning to use electronic communication devices and having Internet access is essential for the education of the children of Alabama; and

WHEREAS, the Legislature recognizes that electronic communications and the Internet frequently contain communications and information that are inappropriate for children and may be used by others in a patently offensive way, lacking literary, artistic, political, scientific, or educational value and may entice unsuspecting children into activities that are potentially dangerous; and

WHEREAS, electronic communications and the Internet may be used to lure children into illegal activities such as human trafficking and prostitution; and
WHEREAS, solutions to enhance the safety of the children in this state using electronic communications and the Internet would benefit children and the general public, and may reduce crimes in Alabama; and

WHEREAS, it is imperative that areas of risk be identified in order to advance proven and innovative technologies and procedures to promote the safety and protection of the children of Alabama who use electronic communications and the Internet; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That there is created the Alabama Commission on Child Protection to conduct a review of current state laws, rules, and procedures regarding the protection of children using electronic communications and the Internet, and recommend improvements, including innovative technology, improved methods to filter what is available to children on the Internet, methods to monitor and track electronic communications that may be harmful to children, and other measures to promote and enhance child protection and safety in this state.
