2019 ASSEMBLY BILL 71

AN ACT to amend 948.12 (1m) (intro.), 948.12 (1m) (b), 948.12 (1m) (c), 948.12 (2m) (intro.), 948.12 (2m) (b), 948.12 (2m) (c) and 971.23 (11) (b); and to create 948.12 (1) of the statutes; relating to: possession of child pornography and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, in order for an image or video to be child pornography, the child must be engaged in sexually explicit conduct. Under this bill, an image or video is child pornography if it depicts the child in a sexually suggestive manner, which means that it depicts: 1) a child's less than completely and opaquely covered genitals, pubic area, or intimate parts in a manner that, by means of the posing, composition, format, or animated sensual details, emits sensuality with sufficient impact to concentrate prurient interest on the child; 2) any form of contact with a child's genitals, pubic area, or intimate parts in a manner that, by means of the posing, composition, format, or animated sensual details, emits sensuality with sufficient impact to concentrate prurient interest on the child; or 3) a child in any other way that is for the purpose of sexual stimulation or gratification of any person who may view the depiction where the depiction does not have serious literary, artistic, political, or scientific value.
ASSEMBLY BILL 71

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.
