32 user, including any content or information posted by the registered user
33 that was stored, republished, or reposted by the third party;

34 (c) The operator anonymizes the content or information posted by the
35 minor who is a registered user, so that the minor who is a registered
36 user cannot be individually identified;

38 pursuant to paragraph (c) of subdivision two of this section on how the
39 registered user may request and obtain the removal of content or infor-
40 mation posted on the operator's Internet web site, online service,
41 online application, or mobile application by the registered user; and

42 (e) The minor has received compensation or other consideration for
43 providing the content.

45 enforcement agency to obtain any content or information from an operator
46 as authorized by law or pursuant to an order of a court of competent
47 jurisdiction.

48 5. An operator shall be deemed complaint with this section if:

50 longer visible to other users of the service and the public even if the
51 content or information remains on the operator's servers in some form.

52 (b) Despite making the original posting by the minor user invisible,
53 it remains visible because a third party has copied the posting or
54 reposted the content or information posted by the minor.

2 Internet web site, online service, online application, or mobile appli-
3 cation to collect age information about users.
